MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI CHANDRA SEKHAR SAHU)

(a) to (c) Yes, Sir. A proposal titled `Sustainable community-managed Drinking Water Supply Infrastructure for Rural Areas of Backward Tribal districts of Panchmahal and Dahod in Gujarat State`was received from Government of Gujarat for seeking external assistance under Japanese grant-in-aid programme.This was considered and not found suitable for seeking such assistance, as the amount of assistance sought was very small.
